Due to the slow economic period we are still experiencing; we realize the need to do everything possible to hold down the cost of competition. Unfortunately, many of the cost involved in organizing a rally are fixed and independent of the number of entrees. So we are presenting a "Rebate Program" again this year that will reward teams for entering in the dual level at this event. The amount of the rebate is set-up to the number of entrees required meeting the event costs. Rebates will be paid by cash when time cards are handed out at drivers meeting on Saturday evening at the awards party. It is our way of saying thank you for your entry.

Number of Entrees	Rebate Amount
15	\$20.00
20	\$40.00
24	\$50.00
28 plus	\$75.00
