1.3 Announcement

These rallies will be run in compliance with the regulations and procedures of the current Rally America Safety and Operations Manual and the current Rally America Performance Rally Rules (RAPRR) and any subsequent bulletins. All noted exceptions to these regulations and procedures will have full knowledge and approval of Rally America. Each participant shall be deemed familiar with the RAPRR, and bound by it. Questions about these regulations must be submitted in writing to Rally Headquarters before the close of registration on Friday, March 12th, 2010.

Any changes or additions to these Supplementary Regulations will be announced only by numbered and dated bulletins, issued either by the organizers or the stewards.

The Organizers shall decide upon any conditions not foreseen in these Regulations. These decisions will be made using the spirit of these Regulations and the RAPRR as a guide.

- After the close of registration on March 5th, 2011 there will be NO REFUNDS for Sunday Only entry.

Dual Entry Rebate-In Region Program:

Due to the slow economic period, we realize the need to do everything possible to hold down the cost of competition. Unfortunately, many of the costs involved in organizing a rally are fixed and independent of the number of entries. So we are presenting a “Dual Entry Rebate Program” that will reward teams for entering in the dual level at this event. The amount of the rebate is set-up to the number of entries (dual or single date entrees by March 6th) required meeting the event’s costs. Rebates will be paid by check when time cards are handed out at drivers meeting on Sunday morning.

<u>Number of Entries</u>	<u>Rebate Amount</u>
18	\$20.00
20	\$40.00
24	\$50.00
28 plus	\$75.00

Out of Region/Single Entry Rebate Program:

As stated above in the “Dual Entry Program” that some costs are fixed, but we realize that even single date entrees do have costs as well. So we are presenting below the amount of rebate we can do for you as a single entry team whether the entries numbers are dual or single or out of region.

<u>Number of Entries</u>	<u>Rebate Amount</u>
24	\$25.00
30	\$50.00
38 or more	\$75.00

Express Registration:

Fax or mail to Marni Nagy (address/fax number above) the proper paperwork to get through registration quickly:

- The 2011 RA Service Crew/Vehicle Registration Form (will be uploaded to website.)
- Copies of proper insurance (100/200/50)/registration paperwork on all service vehicles and competition vehicle.
- Copies of Driver and Co-Driver competition RA License (you can renew at the event.)
- Letter from owner of the competition vehicle allowing you to use their car/truck if the vehicle is not owned by you. For further information on proper paperwork for rentals, etc. please call Marni Nagy.

(*) by signing the entry form(s), competitors (driver and co-driver) are deemed to fully understand and agree to follow the Rally America rulebook.

That is half the battle and she will only need to see the driver license on both driver and co-driver and come back with a completed tech inspection sheet to receive the approval to compete.

At the event registration: We encourage competitors to fax documentation prior to the event as stated in the express registration section. We do realize you may not have everything in order until day of registration but do **COME TO REGISTRATION COMPLETELY PREPARED.**

Rally America License:

So we encourage you to get your RA license before the event and for assistance contact Bob Nielsen at license@rally-america.com or at event registration.

7.00 ROUTEBOOKS/STAGE NOTES

7.1 Route books

7.1.2 Route books will be issued at the recce registration table on Thursday night- March 3rd 2011 from after 10:30 p.m. This does not mean your entry is approved by competitor registrar... yet. When you see the competitor registrar on Friday-March 05th and all completed information has been received then you are approved for competition. If you are not doing recce as a fully licensed competitor then you will receive your routebook at time of competitor registration. Check the general event schedule.

7.2 Organizer Notes & Pace Notes

7.2.1 Organizer notes will be written by Mike/Paula Gibeault. No pace notes are allowed; except notes made during recce. There is a \$60.00 fee for the notes. The notes will be provided at recce registration table on Thursday night – March 3rd, 2011 after 10:30pm after we have finished. Do check the general event schedule. If you are a Sunday only non-novice participant then you can pick up your paid stage notes at competitor registration Saturday night by appointment.

7.2.3 Novice licensed competitors can order Organizer Notes, but MUST do reconnaissance per Rally America. (Sanction Exception)

8.0 RECONNAISSANCE REGULATIONS (RECCE)

8.1 We encourage you to come in Thursday evening, March 03, 2011 to register and provide proof of insurance on your reconnaissance vehicle. We will Issue you a routebook and Stage notes(\$55.00) and have you sign a waiver.

8.2 Recce will be on Friday, March 04, 2011.

8.3 Reconnaissance will be conducted in compliance with the Rally America Rule (Article 7.3, page 44-45.)

8.4 Use of Stage Notes from any previous events is prohibited during reconnaissance and competition. Any team found using these previous Stage Notes will be excluded.

8.5 Recce isn't a required activity. Competitors are not required to purchase notes.

8.6 Reconnaissance will start out from Palo Verde College service area parking lot. **Be ON TIME** – 7:00 A.M.

8.7 There will be a “fixed route” one pass caravan notes familiarization reconnaissance to be chaperoned. There will be a lead and sweep car to keep you in a group and to keep you driving in a timely manner. F.R.S. radios will be issued.

8.8 Rally cars/trucks (competition vehicles) will not be allowed.

8.9 There will only be a one pass recce to update and fine-tune routebook/stage notes.

8.10 Reconnaissance vehicles may stop or pause momentarily, but are not allowed backup or reverse direction at any time while on a stage road.

8.11 The maximum speed limit on Stage roads during reconnaissance is 25 mph unless a slower speed is posted.

8.12 Reconnaissance vehicles must observe and obey all posted speed limits and adhere to all traffic laws at all times during recce.

8.13 Competitors taking part in reconnaissance do so at their own risk. The organizers assume no responsibility for the transport or recovery of reconnaissance vehicles. The organizers will provide assistance when possible.

9.0 Spectator Viewing

9.1 There will be viewing opportunities behind the service area at Palo Verde College on Saturday, at the Bradshaw Trail/Wiley's Well Road and at the I-10 Speedway track. Please check the general event schedule for posting of times or on Competitor Bulletins concerning Bradshaw Trail spectator area.

9.2 Competitor Bulletins will be forthcoming concerning the Lucas Oil 4 Lap Showdown for spectating viewing for service crews, friends and family.

10.00 Pertinent Event(s) Information

10.1 Official Notice Board Location

10.1.2 The Official Notice Board will be located at **all** competitor registration locations, at the scoring area out non the stage at Wiley's Well Rd on March 3rd and on March 04th at Parc Expose at Blythe Volunteer Fire Dept fundraising dinner, and during the two day event at the scoring trailer located at Palo Verde College service area on March 05 & 06, 2011 at the scoring area.

10.2 Posting of the Provisional Final Results

- 10.2.1** The Unofficial Final Results for Desert#1,#2, and #3 Regional Rally's will be posted approximately 30 minutes after last car comes in at final MTC on Sunday, March 6th on the Official Notice Board at the scoring trailer located in the Palo Verde College service area. **The scores for Thursday and Saturday's Desert Regional rally results will be posted on Official Notice board as informational.**
- 10.2.2** The unofficial results will not go final until the following Monday of the event. Refer to the Inquiry and Protest section of the Supplemental Regulations for details.

10.3 Official Rally Time

- 10.3.1** The Official Rally Time clock will be located in close proximity to the Official Notice Board. Times will be measured and recorded in HH:MM:SS format, not hundredths of a minute. Official rally time will be at competitor registration locations on Thursday, March 3rd and Friday, March 4th, 2011.

10.4 Official Starting Order

- 10.4.1** The official start order for each regional Desert Storm individual events will be determined by the Rally America Stewards, and will be posted on the Official Notice Board (Capitol Suites lobby area) approximate 9:30 p.m. on Friday, March 4th. Entries received after this time will be placed at the discretion of the stewards, with safety as the primary consideration. On Saturday night will be posted for Sunday-Desert Storm #3 approximate 9:30p.m. The exception will be for Thursday's Desert Storm #1 will posted about 3:00ish at Capitol Suites.

10.5 Scrutineering/Odometer Check

- 10.5.1** The odometer calibration check route starts and ends at the Palo Verde College-Lucas Oil Automotive Shop (event service area.)
- 10.5.2** Scrutineering will occur on Thursday, March 03rd from 3:00 p.m. to 4:30 p.m., Friday, March 12th from 5:30 p.m. to 7:00p.m. and 5:30 p.m. to 10:00 p.m. Check the General Event Schedule for locations.
- 10.6.3** Scrutineering is available by appointment to those who are entered in Sunday's event only. Contact the organizers or competitor registrar to make arrangements.

10.6 Parc Expose

- 10.6.1** We will be displaying your vehicles at the Blythe Fire Department Spaghetti dinner fundraiser. Refer to the General Event Schedule for times.
- 10.6.2** While your vehicle is required to be at this parc expose, you are not required to purchase dinner. We do however, encourage you to support the Fire Department. They have changed the date and time to accommodate the rally. There will be a 10 minute time penalty on Saturday's event if your vehicle is not present. You will need to check in by 5:00 p.m. at the fire department. A rally official will be in the vicinity with a log showing who did recce prior to parc expose. This person will be visible to help you park your competition vehicle.

10.7 Arrow Coloring

- 10.7.1** Arrows will be defined by two different colors depending on which direction the rally is moving.
- 10.7.2** Arrows will be fluorescent orange and fluorescent pink.
- 10.7.3** A sample arrow will be shown at the drivers meeting.
- 10.7.4** Cautions will be defined by downward facing yellow arrows.

10.8 Radio and Communication

10.8.1 Amateur radio is regulated in the United States under the Federal Communications Commission and follows FCC Part 97 rules and regulations.

10.9 Rally Radio Network

10.9.1 Safety and logistic support is provided during the event by a network of Amateur Radio operators. An information station will be provided at the service area during the event. Although the primary purpose of the radio network is safety, the network will assist teams in passing information regarding the condition and location of broken vehicles.

10.9.2 If you have any questions please contact: Chris Spacone Director of Communications cspacone@socal.rr.com or Barry Colston kq6nwi@arrl.net.

10.9.3 Competitors who are licensed amateur radio operators and who will have a radio in the competition vehicle are requested to advise the Director of Communications.

10.10 Sweep Vehicles

10.10.1 Sweep vehicles will be used to closely follow the last competitor through each stage. The purpose of these vehicles is to "sweep" the course clearing any disabled vehicles from the road and rendering aid to competitors when possible.

10.10.2 The first (fast or medical) sweep will follow the last competitor and will NOT attempt to extract vehicles. If a competitor is unable to continue they should give a written description of their situation to the sweep. The radio network will then attempt to reach the competitor's service crew. Although the sweep crew will provide limited assistance, it is the responsibility of the competitor and their service crew to extract and retrieve their disabled vehicles without impacting the running of the event or violating any regulations or laws.

10.10.3 The final sweep (slow or heavy) shall be distinguished by a roof mounted flashing green light.

10.10.4 The ultimate responsibility for the retrieval of their vehicles is on the competitor and their service crews.

10.10.5 The rally organizers are responsible to transport the competitors either to civilization or to absolutely be assured the competitors' crew is notified and has the best possible description of the location of the vehicle.

10.10.6 If your vehicle breaks on a stage that will be used again, the sweep crews will be instructed to move your vehicle out of harm's way only, until the passing of the rally.

10.10.7 Please understand we cannot delay the event to retrieve your vehicle.

10.10.8 Broken vehicles must be retrieved no later than 8:00 p.m. Sunday, March 06th.
