SPECIAL RALLYTRACK PRICING FOR DESERT STORM RALLY

SATELLITE COMMUNICATIONS

RallyTrack.com will provide six satellite field communication systems for a heavily discounted price of \$25 per system for usage during the event on Friday and Saturday. The normal rental is \$150 per day per system. RallyTrack.com will provide a live webpage that will automatically display all the stage times sent from the satellite field communication systems and have embedded hyperlinks to each team's info and live tracking data. <http://live.rallytrack.com/>

SATELLITE TRACKING EQUIPMENT

We have 2 types of satellite tracking equipment available for the competition vehicles. RallyTrack will have our "Rig" onsite at the fairgrounds for race operations and the competitors to access the internet to view the live timing and vehicle tracking information.

"Best" tracking device

- The Rally Tracker "mini" is a 2-way text messaging and satellite tracking device that will send a position report every minute. There is an optional alarm switch kit, which can be used to alert the crew of a break down or alert the organizer of an emergency.
- *5 (or more) Rally Tracker "minis" are available for rental; \$120 for the 2 race days; a cash or credit card deposit of \$1000 is required
 - *each new position report will be automatically displayed on our publicly viewable vehicle tracking website
 - *each new position report or message may be sent as a text message to a cell phone and/or sent to an e-mail address
 - *RallyTrack will monitor all "Crew Call" and "Emergency" alerts
 - *all rental equipment MUST be returned before 10AM on Sunday March 16th

"Basic" tracking device

- The SPOT Tracker is capable of sending a position report every 10 minutes. It also has the capability of sending a break down or emergency alert.
- *4 SPOT Trackers are available for rental; \$30 for the 2 race days; a cash or credit card deposit of \$150 is required.
 - *New SPOT Trackers are also available for purchase
 - *each new position report will be automatically displayed on our publicly viewable vehicle tracking website
 - *each new position report or message may be sent as a text message to a cell phone and/or sent to an e-mail address
 - *RallyTrack will monitor all "Crew Call" and "Emergency" alerts
 - *all rental equipment MUST be returned before 10AM on Sunday March 16th
